

**Battlefield High School
Athletic Booster Club
Meeting Minutes
October 26, 2011**

I. Welcome and Introductions

Ron Fairbanks, President, called the meeting to order.

II. Last Meeting Minutes

The minutes from the last meeting were reviewed with those present at the meeting by Laura Hyer. These minutes are also posted on the Booster Club Website. Please contact Laura Hyer, Secretary, if you have any questions.

III. Treasurer's Report

Kristin Chambers, the treasurer was not present to review the treasurers' report. There was approximately \$130,292.65 in the booster club account as of September 30, 2011. This total includes both restricted and unrestricted funds together.

IV. Athletic Director's Report

Coach Cox was present and reported that the Basketball coaches were hired for BHS. An offer was presented to the PWC HR department for the men's soccer team. Still needed are indoor and outdoor track team coaches, along with a tennis coach.

The cross county team won district. The ladies' Volleyball came in third place in the district. The Football team won districts. The Cheerleading team won districts also. The ladies' golf team placed second in the state.

V. Issues/Updates

1. 3x3 Shamrock Shootout Basketball Tournament

Tournament is scheduled with BHS for March 24, 2012. This is our next big fundraising event. We need a chairperson, committee and a lot of volunteers to coordinate this event for this year. There is thought about selling courts for name rights for the basketball tournament.

2. Golf Tournament next spring

Chairman is needed for Golf tournament. There will be a joint letter going out for both the basketball and golf tournaments.

3. “Team Lead”

For special events, it was suggested that a “Team Lead” from the Booster’s Club set up information about the Booster club and signup sheets. More advertisement needed for membership and more information is needed to be disseminated about what the Booster club does for all athletes at BHS.

4. Concessions Volunteers

Volunteers are needed for every sporting event. Outside community members have asked to help. If we do not get parents of athletes to help with concessions we will let these organizations help us out.

The Booster Club would like to structure the concession stand as such; Susan Coxson would be the lead concession stand coordinator. There would be three main contacts coordinating with her for the three different seasonal sports (Fall, Winter and Spring).

These seasonal coordinators would work with the individual sport teams to gain volunteers for the concession stands. Please contact Susan at
